Since January's meeting had to be cancelled because of the weather, we have decided to run the January and February workshops together (see above). Bring wool if nothing else J

This year's meetings have also now been pencilled in. One or two may still have to be swapped, but hopefully it's pretty well right now. We've got 3 good external workshops booked (perhaps 4 with luck) and some interesting "In House" meetings. It looks like a good year. If the National Exhibition is moving towards acceptance by photo, it looks as though we should try and get a workshop on photographing articles to best advantage put together. So if anyone can recommend a tutor, perhaps they could speak to the committee.

The Back Page

For Sale: A country style spinner made by Joe Prince price £60 o.n.o

There are 3 bobbins and it will spin & ply enormously fat yarns, but you can also spin normally on it but because of the low ratio that is quite hard work. Contact Jane

Other wheels advertised last year may still be available:

Ashford Traditional wheel (Teresa)

Kromksi Prelude (Barbara)

Ashford Traveller (Chris)

Finally – some useful knitware for when computer security is an issue!
