Please remember to park in the car park to the left of the entrance, though we can use the area by the building to drop off and collect

A Happy New Year to everyone, and I look forward to seeing you all again. Unfortunately we had to miss our final December meeting last year because of the weather. I hope that it's better for the problem months at the beginning of this year.

We have a gentle start to the New Year, Trevor will be bringing along some Lucet's and showing how to make a cord with one. If you already have a lucet, bring it along, the more the merrier! If you want to try cord making bring some yarn.
