### Meetings

Please arrive promptly for workshops ie 9:30am for 10 am start

And note that someone has to clear up at the end before we can go home,

And REMEMBER there's more than just the listed workshop at Llysfasi. An informal get together for spinning, knitting, wheel fettling, help to new members and a multitude of other activities, carries on every month.

Unfortunately last weeks demo at Llai Archeological dig was cancelled due to the weather, we got a fascinating tour of the dig though. It's STILL RAINING so if you've signed up for some of this summer's outings, it'll probably be worth making last minute checks with the organisers as it may well happen again.

Advance News: Alsager WSD are at Little Moreton Hall 13th - 23rd Sept (this is a great venue and They exhibition was excellent, I can really recommend a trip to this (but beware, the exhibition is held in the Long Gallery at the top of the Hall and access is up sets of spiral stairs)

Janet Major is holding an open day as part of the Cheshire Open Studios - there are 4 regions running different weekends from 15/16<sup>th</sup> September to 6/7<sup>th</sup> October. I'll put more details in nearer the date or you can find more information at [www.cheshireopenstudios.org.uk](http://www.cheshireopenstudios.org.uk)

### The Back Page

*I've been contacted by Shaun Grogan, (Flint) who is trying to find a good home for his Uncle's Loom. Here are the details: "My elderly uncle has a weaving loom that is surplus to requirements. He bought it from the Liverpool Cathedral School training centre in the mid 60's. We believe that it's a Maxwell, all wood (oak) construction, 4ft weave width with an integral seat. It's free to a good home and we would appreciate any assistance in finding one. Have you any idea's? It's stripped down but all the bits are there, we live in Flint, Flintshire."*
