### Summer Shows

Our contact for this event is Sandra P.

If you can help with demoing at **Bryneglwys Village Fair**, the show field is on the left side of the A5104, just before Bryneglwys village for those travelling from Llandegla direction. It's on the only straight stretch and there will be two people at the gate. Our members need to head right after entering the field, otherwise they will end up in the car parking field. They will just have to hunt if I am not at the gate when they arrive, I will do my best to hunt down the chairman to find out where our little space is before you all arrive. **Does anyone have a gazebo we could use for the Bryneglwys show?** Lynn Blanchard should be able to supply details for the **Moel Famau** event.

We are trying to produce **60** small knitted, crocheted or felted sheep made for the A1 board at the All Wales event. This board will have to be created soon, so we need these ASAP.

Also, we need any items that have been made in our workshops since the last All Wales two years ago. If you don't want to loan the item, perhaps you could send me a photo. We will need these by the Sept meeting, latest. We could also use anything spun, woven or dyed in the last two years. These we can use on the large display board.

The Christmas challenge this year is a coaster, mug mat or placemat.

Janet has offered to host an 'At Home' in August. Date to be arranged.
