**July's Shibori dyeing workshop** was a great day thanks to Krythia and Gill.

#### **A reminder about the July workshop with Katie Weston.**

Members need to bring the following

A spinning wheel. At least 3 bobbins (the bobbins need to be **empty.**)

A separate lazy kate. Not the one built in to their wheel... if you don't have one then you can easily make one using a shoe box and knitting needles. Something to use to wind off samples

Katie says that people will get more out of the workshop if they have their wheel well maintained and ready to spin. Time I spend fixing wheels is time taken away from the main content of the workshop. Members will also get more out of the workshop if they have done some spinning recently, sitting down at a wheel for the first time in a month will make an already technical workshop even more challenging!

Gill has the following people booked on the workshop: Chris, Gill, Jenni, Bryn, Jenny, Jacqui, Jacqui's friend, Pauline, Janet, Clair, Krithia and Emily.  
And a reminder that the fee is £10 workshop and £7 fibre. Money for fibre will be collected by Katie, so please don't add it on a cheque for workshop.

### ***The Back Page***

Show season is now well under way with the guild demoing on Saturday and Sunday at the Rhug Country Show near Corwen. Thanks to everyone who helped out (I've lost the names!) but here are a couple of the Sunday helpers working hard! (Saturday got very quiet in the afternoon owing to a certain football match).

From Jane Haworth  
I have for sale my Ashford Kiwi II spinning wheel, which is less than a year old. (A house move means that I have downsized to a Victoria). It comes with 6 standard bobbins, 3 jumbo bobbins, a jumbo sliding hook flyer kit, a high speed adapter kit and a lazy Kate. All together this cost £570, and I am looking for £370 or very near offer. It's in perfect condition and full working order. Buyer collects from Mold, or I may be able to meet part-way/deliver for cost of petrol.
