

CLWYD WEB

June 2007

http://www.spindizzy.net/clwyd_web

Registered Charity no. 518270

If you missed picking up a newsletter at a meeting and didn't get it by post please contact me – I may not have your correct address. And if I'm currently posting it to you but you have email please let me know - it saves a considerable amount in costs and I hate licking envelopes! (See the end for contact details)

Meetings

Please arrive promptly for workshops ie 9:30am for 10 am start

And note that someone has to clear up at the end before we can go home,

And REMEMBER there's more than just the listed workshop at Llysfasi. An informal get together for spinning, knitting, wheel fettling, help to new members and a multitude of other activities, carries on every month.

Jul 21	<p>Spinning skill sharing day, including fleece sorting. Myra has volunteered to show long draw on wool, and Chris will bring along a couple of charkhas for you to try long draw on cotton. We're hoping to persuade Joyce to show some of her fancy loop yarns again and Helen to show us how to spin extra chunky yarn. We'll have the guilds drum carder to try and Chris will bring along wheel fettling equipment to see if a little TLC will bring out the best from your wheels. We'll also have some fleece to show skirting and sorting methods. If you have any unusual fleece to show, please bring a sample along and we'll unroll it and go through the basics. (Please bring something for the floor eg an old sheet if you want to join in this)</p>
June 26 (Tues)	<p>Last reminder....North Shropshire Guild have invited us to their annual Whitemere Spinning Day. "We have booked the boathouse, we have booked the weather (!) and all we need now is you and your Guild!" They would like to know details of numbers by June 12th, please pass these on through Teresa (As the cost of hiring the boathouse has gone up this year, we will be charging £6 per head.)</p>
July 14th	<p>Llay Archaeological dig open day (nr. Wrexham) – If you'd like to demo here, contact Myra. The dig site has bronze/iron age right through to industrial revolution and they've found an iron age whorl.</p>
Jul 25 th (Wed)	<p>Volunteers wanted for Ty Mawr Country park, Cefn Mawr to demo at their open day. Contact Helen or Teresa</p>

The Back Page

Joyce reports that Caerwys Show went well (despite the heat) and she'd like to thank Betty, May, Carol, Sarah and Shirley.

Lorna has some Herdwick fleeces available please contact her directly.
