*Dot Lumb has contacted me to say that sadly she will be publishing the final edition of **the Yarnmaker magazine** this December. Unfortunately printing costs are rising and subscriptions aren't increasing to match. Those with issues left in their subscription will be offered a refund or back issues (at a rate of 2 for 1 missed issue).*

The next Annual General Meeting of the Association will be held on Saturday 22nd April 2017 at Conway Hall in London. The meeting will run from 11am until around 4pm. Each Guild affiliated to the Association is entitled to send a Delegate to the AGM and may also send an Observer. Only the Delegate may speak and vote on the issues raised on the formal agenda. Delegates receive their travelling expenses from the Association, either standard class rail fare or an allowance of 30p per mile if travelling by car. If travelling by public transport the Delegate should try and book early to take full advantage of any special rates - the Association aims to keep expenditure as low as possible. The Association does not pay the travelling expenses of the Observer, but their own Guild may choose to do so. Included are forms for nominations and propositions for the AGM. Please note the deadline for send in any of the forms is 21st January 2017. Details will be available at the meeting and are attached for those on email.

Left over from last month.

AGWSD Summer School 2017. Brochure is now available, and I will bring it to the meeting.

I also have details of the latest course information for the '**Original and still unique 'Bradford Course'**'.

Finally, I will bring to the meeting, the **minutes of the Associations 2016 AGM.**
