Many Thanks to Gillian for putting together the Patterns of Wales display for the All Wales meeting, also to everyone who contributed samples and work for the displays.

Last of the Summer Shows:

Cilcain August Bank Holiday: Three of us, Trevor, Yvonne and I were inside the church. Lots of interest.

Lorna, Albert, Betty and Rosie joined Gill at the Ruthin Threshing Day in October. Sorry, no photos but we did get another couple of show. Both are at the Ruthin Auction site. The first is on Dec 7th then the flower show in August.

Association of Guilds Summer School 2021

Janet Crowther writes:

"This is to say a huge thank you for all the suggestions I received for venues for Summer School 2021 in the East of England Region. They were all followed up, some were a little over budget, some were unable to take our booking. But the very good news is that we have booked Writtle University College, Chelmsford, Essex, 15 – 22 August 2021.

We also have a convenor and a volunteer to help organise the summer school. That is not to say more help isn't required. I am sure the convenor will be contacting you all in the near future, but should you feel able to help, please email me, until the convenor has a summer school email address, and I will pass on any messages.

The GPC were delighted that we now have a venue and that plans for Summer School 2021 can go ahead with confidence.

I visited Writtle with another member of the GPC, Pene Blogg, we both decided that as a venue for a summer school it ticked our list of requirements. Good workroom spaces, an impressive dining hall, a flat campus, a bar, typical student en suite accommodation, beautiful gardens and greenhouses, with good transport links. As gardeners we also liked the idea that Gardeners' World Geoff Hamilton had trained there and that Alan Titchmarsh was, until a couple of years ago, College Patron.

Thank you all for your help, it is very much appreciated.
